Message from The President Jim Malcolm

Hi everyone,

About a week or so ago Keith dropped us a line to let us know he was going to send out the Summer/Fall edition of Station 9, and since then I was trying to think what I was going to say. Although I have no problem talking, I often struggle putting my thoughts on paper.

When I look back at Ontario Skeet season 2021, I can't believe that it came and went as fast as it did. I remember my mother telling me that the older you get, the faster time goes by, and yet again mom was right.

From the first "Pull" at the Orillia Gun Club back on the 12th of June, until the last one 98 days later at the Barrie Gun Club, all things considered we made the best of the season that we did have. Covid prevented us from attending shoots in Kingston, and at HAHA here in Ontario, and with the border being closed to southbound traffic many of our members missed out on some of their favorite tournaments in the US. Although the borders remained closed for land crossings Dan Morris, Dean Herzberg, and John Bratty made their way to Texas for the Worlds and made the OSSA community proud. Dan and Dean for their great shooting, Dean for achieving he next level in his coaching journey, and John for heading up the referees and being there to be recognized for what he has contributed to the sport for so many years. Thank you John for all that you have done for the skeet here in Ontario and abroad.

There are so many people to thank for making the 2021 season happen. To all of the OSSA Board members, club representatives, and of course you, the members of the OSSA. There is a great mix of veteran shooters that have kept the sport alive for many decades, and then the newer members which will be the future of the sport.

Although I can't thank everyone personally in this message, there are two people that I would like to point out. Victor Fink will be stepping down from the OSSA board this year, and I would like to thank him for his years of service, dedication and participation in the OSSA. Although it was Frank Stewart that convinced me to attend my first registered tournament, it was Victor that welcomed me and provided a great skeet shooting experience to myself and many others. Secondly, a special thank you to Doug Steed Sr. For those that were not at the 2021 Ontario Skeet Shooting Championship, it was Doug's 50th year of refereeing the event. Although I hate hearing him say "lost, repeat please", Doug is great source of knowledge about the history of the OSSA and I really enjoy hearing about the past from him. I raise a glass to you both. On behalf of the Association, thank you!

The AGM is just around the corner, and although I can't be there in person, I will be joining in via Zoom or some other virtual meeting platform so I hope to see, or hear you there. Some of you may have seen me limping around at a tournament over the last couple years. Well, I'm finally going in for some spare parts three days before the meeting. Here's hoping a new hip will help me break a few more targets going forward.

Until we meet again, be safe, stay well and thank you for making skeet shooting in Ontario a whole lot of fun.

2021 Ontario Provincial Junior Championship
July 26/21- Aug 1/21
Scoreboard shoot # 159530

Ch	Johnathon Ball	92
RU	Reese Wakeford	87
3 Rd	Lawrence Weaver	85
E1	Yuyang Qin	79
E2	Matthew Kenyon	61
E3	Jett Pomeroy	60
E4	Chase Pomeroy	58

Congratulations to the Juniors who took part in the satellite shoot for the Ontario Provincial Junior shoot . The turnout was not as great as we would expect probably owing to covid restrictions and other causes which played a role.

Jonathan Ball received the gold award and Reese Wakeford placed silver while Lawrence weaver took the Bronze spot. We also welcomed our first time shooters who put in excellent shooting Reese Wakeford, Yuyang Qin and Matthew Kenyon. Jett and Chase Pomeroy continue to improve and gain experience in their shooting careers.

A very special thanks to the clubs who hosted the event Kingston, Oshawa and Knotty Pine —Warren ,Frank ,Tony and others who helped at each club.

Thanks to OSSA who will provide the plaques for medal winners. Thanks Keith for covering registration for each shooter.

2022 will see us at the Summer Games in Mississauga as previous Games in London were cancelled over the past 2 years

Details regarding team selection will be out in the spring. Every single Junior has an opportunity to make the team so practice with this in mind . We will take 10 shooters to the games following the selection process

Reese Wakeford Silver medal winner and Yuyang Qin at Oshawa for Junior championship satellite shoot

Jon Ball Gold medal winner Ontario provincial Junior Champion shows the form that put him as Champion

Chuck Cresswell Trophy

The Chuck Cresswell Junior Trophy Jonathon ,Reese and Lawrence will have their names added to the Trophy for 2021

Lawrence weaver takes 3rd and Bronze Medal position

Robbie Tolles (a Junior) Canadian 28 Gauge Champion besting all competitors with a 100 straight

Robbie is a junior who started shooting in 2017 as a new junior shooting his first targets at the Provincial Junior Shoot . In four short years he went from breaking targets in the 50s to running 100 at the Canadians. He followed this up at the Provincials with 99 in the 12 Gauge . Juniors this is what you can do with practice and perseverance . Never get discouraged as your technique will improve over the year .Attend as many shoots as you can to gain experience . See page 12 for the pictures of Robbie,s memorable day.

410 straights in provincials

By
Frank Stewart

I was just updating our trophies and when I came to the 410 I was wondering when someone shot 100 straight last.

The only time I recall was John Loveday and Ron Colin back in 1997.

There has only been 7, 100/100 shot in the 410 going back to 1981, that is as far as the trophy goes. 1997 had 2 100s with both John Loveday and Ron Colin heading to the shoot off field and John Loveday emerged as Champion

DOUG BURDETT-100/100, 1981

JOHN EMMETT-100/100, 1985

RICK LAWRY- 100/100, 1988

JOHN LOVEDAY-100/100, 1999

RON COLIN,- 100/100 1997,

JOHN LOVEDAY- 100/100 1997

DAN MORRIS-100/100, 2021

Congratulations Dan for something no one else has accomplished for the past 24 years !

There has also been 14 times when the 410 was won with a 99/100

The 66 th Canadian Open

Hamilton Gun Club was the site for the 66th Canadian Open. It was a huge success with 66 shooters taking the field in the 12 Gauge.. Targets were spot on and the shooters responded according.

100 straight were the order of the day with Charlie Peacock posting 100 in the 12 Gauge, Dean Herzberg did the same in the 20 Gauge while Robert Tolles put up a great 100 in the 28 to take champion spot straight out. Daniel Lourenco and Dan Morris batted out 99s in the 410 with Daniel taking Champion slot. Doubles saw Dan Morris 99 fall to Douglas Steed 99 who took Champion.. Dan was able to take his revenge though taking champion in the HOA with 394.

Our Ontario shooters represented themselves well throughout the shoot . Congratulations to all.

Dan Morris HOA winner at the Canadians as well as the 410 100 straight Champ at Provincials

A great Squad at the Canadians from Left: Peter Manojlovic, Issaque Mendez, Dave Troiani and Johnny Sibani

Johnny Sibani with new junior shooter Alexander Mendez

Ontario Shooters at Mini Worlds and Worlds

Dean Herzberg and Dan Morris trekked down to Texas for the NSSA Mini Worlds and Worlds and performed well.

Mini Worlds Dean was 28 Gauge AA 3 and TS 3rd after shooting 100 straight

Dan 100 straight took AA Champion in the 410 Worlds

Dan shot 100 straight in 12 Gauge and placed AA3 , 28 gauge no placement

Dean was HOA 441/450 while Dan was 442/450 and finished SS 5

Great shooting guys

74th Ontario Open and Closed Provincial Skeet Championships July 23-25, 2021 Waterford Gun Club

The 74th Ontario Open and Closed Skeet Championships were held at the Waterford Gun Club, Waterford Ontario. The OSSA Board of Directors wish to express sincere thanks to all the staff and volunteers who made the event a success. Thank you club President Janice Moerman and all for a job well done in preparing and hosting the shoot. The targets were spot on throughout the 3 days with minimal weather effect (rain showers never bother skeet shooters). Douglas Steed and his band of Referees did a superb job. Thank you Frank Stewart for doing all the pre registrations of squads. Thank you to everyone. Brad MacRae, Steve Malcolm on the front desk did a sterling job and of course they are happy to take your money but lots is returned to the shooters in the form of payouts and awards. President Jim Malcolm and all the Directors worked extremely hard to ensure a great shoot and deserve a thank you as well. Last but not least thank you to all the shooters who attended and we trust you had a great time renewing friendships and enjoying the competition.

Friday afternoon the Doubles event with 46 entries began in earnest. Once the target dust settled Dean Herzberg walked off the field with a 98 while Charlie Peacock sealed Runner Up with 97 and Brad Macrae was 3rd after shoot offs with a group of four 96s. Bill Zager was AA1 96, Dan Tansely A1 96, Dale Weaver was B1 94 while Kim Stewart was Lady Champ.

The 12 Gauge event began bright and early Saturday morning with 60 entries vying for a win. The targets were perfect and Charlie Peacock was perfect with a 100 straight to seal Champion spot. Five 99s headed to the shoot off field later in the day to sort out their positions — Dan Morris runner up, Robert Tolles was 3rd and Steve Loveday AA1 Daniel Lourenco B1 Johnny Sibani B2. Sub junior champ was Alexander Mendes and Lawrence Weaver was Runner Up. The 2 man team of C. Peacock / T. Ball took the winning spot with 198. Great shooting by all.

Lunch stroked up the shooters for the 20 Gauge event with 60 entries. C. Swance and C. Peacock cracked the 100 spot with Swance prevailing in the shoot off to seal Champion leaving Peacock as Runner Up. The 99s fought out the AA placement with Herzberg AA1, S. Loveday AA2 and J. Malcolm AA3. Kirk Simmens took B1 with 98 while Kim Stewart was C1 as well as Lady Champion. Herzberg and Andruchow took the 2 man team slot besting Marsh and Simmens in the shoot off. Sunday morning had 55 shooters take the field in the 28 Gauge. Peacock and Hooper were wide awake and walked off the field with 100s with Peacock prevailing in the shoot off leaving Hooper Runner Up. Len Lepage took 3rd spot with 99. The AA's sorted the 98s out on the shoot off field with Herzberg AA1, Loveday AA2 and Bill Zager AA3. Douglas Steed was A1 97 while Dan Duhamel was C1 95. Hooper and Brent Wintermute took the Team spot. While R. Tolles was Collegiate Champion with 94.

Ah the anticipation for 410 event - is there wind, where are the targets and other mundane questions for the 55 entries. Dan Morris put all this out of his head walked out there and the first time in 24 years the 410 Champion has put up a 100 straight. Congratulations Dan. Loveday took Runner Up with 98 and 3rd was Z. Andruchow. Kirk Simmens bested Jim Malcolm in the shoot off to place C1 with 95 Lawrence Weaver was Sub Junior Champion. Loveday and MacRae took the 2 man team event.

The HOA champion was C. Peacock with 396 while S. Loveday took Runner Up 394. Brent Goodwin took C1 368 and Lou Bratty D1 355. Senior plus Champion was Len Lepage 381.

The HAA Champion again was Peacock 493 with Dan Morris Runner up 489. B1 was Kirk Simmens 473. The Challenge cup went to Hamilton with combined 489 from the shooters — Troiani, Sibani, Lourenco, Medeiros and Le Page.

Congratulations to all the shooters who made the program a success. Thank you and see you at the 75th in 2022 at a site to be determined.

Steve Malcolm NSSA and OSSA Vice-President gave this address remotely on John Bratty Induction into NSSAs Hall Of Fame and as recipient of the Ray Boller Award . Congratulations John on receiving this great honour.

John Bratty Induction (Ray Boller Award), October 2021

Good evening. My name is Steve Malcolm and I serve as the Vice President of the NSSA. I wish that I could be in San Antonio to present this in person.

It was a great honour for me to be asked by John Bratty to induct him into the Hall Of Fame to receive the 2021 Ray Boller Award. The Ray Boller Award recipient is selected based on his or her SUSTAINED CONTRIBUTIONS to skeet on local, state or provincial, regional, national and in this case...International levels. If you are aware of the list of contributions that John has made at all levels, you would know why he is our 2021 Inductee.

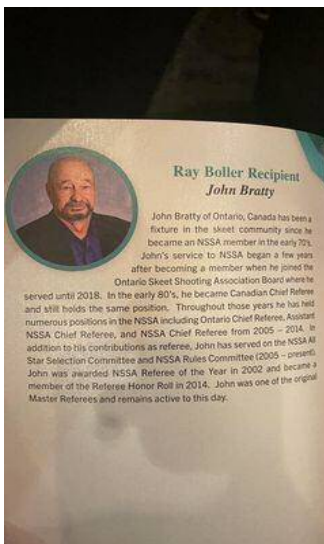

Now....most of us know John from his refereeing career, which is long and accomplished, and includes being named to the Referee's Hall of Fame in 2014, and two stints as the NSSA Chief Referee. Not to say that John has been involved in our game for a long time, but his first appearance as a referee at the World Championship was in 1972...

But, tonight...we are here to acknowledge and celebrate some of the other contributions that John had made to the game that we love. Firstly, John served as a Director of the Ontario Skeet Association for over 30 years, and still serves as a great resource for that body. John represented Zone 8 on the Executive Committee for 14 years. Zone 8...in case you don't know is what puts the **"World in the World Shoot"**. John served for years on the All American Selection Committee and continues to sit on the NSSA Rules Committee, the NSSA Major Shoot Committee as well as the Referees Hall of Fame Selection Committee. Truly an impressive body of work.

I did want to share a couple of fun facts about John Bratty. John will be the fifth Canadian to have been awarded the Ray Boller Award and will be the first "second generation" recipient to do so. His father, Lou Bratty Sr was inducted in 1997. John will also be the first person to be in the Ray Boller and Referees HOF. Having shot with John over the years...It is a pretty safe bet he will not be inducted for the third category...as a shooter!

A few weeks ago, John and I were at the same event, in Hamilton Ontario and were discussing all sorts of things regarding Skeet and in particular, the Ray Boller Award. John expressed to me that he was honoured to receive this, but felt that there were others that had done so much more for the game than he has. While it may be a fool's errand to point out to the Chief Referee of the NSSA that he is wrong...in this case, I will on behalf of the Ray Boller Committee and the myriad of NSSA Members from around the globe that appreciate all that you have done, and continue to do for our game.

John, I wish I could be there to celebrate this night with you and Heide, but I will raise a glass to you...Cheers
