## Message from The President :

### Jim Malcolm

Hi Everyone, I hope this message finds you all well.

The last few years have been a real challenge for the OSSA, as it has been for all businesses, recreational organizations, and all of us as individuals.

We have seen many Covid-19 protocols lifted, however the ripple effect will be haunting us for a while yet.

Ammunition and reloading supplies are limited, and what is available has gone up in price so much that it has definitely impacted the participation in shotgun sports tournaments. It is not only skeet that is seeing a decline, but trap and sporting clay tournament numbers are down.

Then there is the price of fuel. Unbelievable. My son came home last night and said, dad, gas is a good price in Barrie. I asked him what it was and he said that it was \$1.91/liter. I never thought I'd hear someone be happy that gas was \$1.91/liter.

Even with the high prices, several of the upcoming tournaments in Ontario, including the Ontario Skeet Shooting Championship are sold out, and I am thrilled to see that.

I am excited to get to the Hamilton Gun Club on Canada Day weekend to see the new skeet field, along with other upgrades that they have completed. It is great to see that there is enough growth in our game that additional fields need to be built.

With regards to the 75<sup>th</sup> Anniversary Ontario Skeet Shooting Championship at the Oshawa Clay and Target Club, we hope that it will be a memorable event for those that also attended the 50<sup>th</sup> and 60<sup>th</sup> anniversaries, as well as those that are new to the sport.

In closing I would like to thank all of you that have been making skeet enjoyable across Ontario over the years, and to those that are doing their best to keep it enjoyable for years to come.

Thank you, and I look forward to seeing you all at a gun club in the near future.

## Station 9

I am missing many emails for members especially newer sign ups as well as people who change providers.

If you hear of someone saying they are not getting Station 9 and other shoot notices tell them to send me an email

Thanks

## ONTARIO CELEBRATES ANNIVERSARY

### BY JENNIE MARSH

The Ontario Skeet Shooting Association held the first provincial skeet championships at the St. Catharines Gun Club, May 1947, a nonregistered tournament. Now 50 years later, the 50th Provincial Skeet Championships were held at the Oshawa Skeet and Gun Club, August 1-3. Robert C. Mills shot at both the first and fiftieth, with many in between and received a commemorative plaque from Bill Marsh for this achievement.

With more than five years of planning and fund-raisers, the "50th" will be remembered by many as the shoot of a lifetime. Each participant in the main events received a commemorative 50th personalized name pin, a belt buckle (with 14 karat gold trim), a crest and a lapel pin.

The doubles event started on Friday morning with 48 entries. John

Ellis took the championship while Gary Mills bested Rick Lawry in a shoot-off for runner-up.

The .410 event had 74 entries—a "first" in the history of the Ontario Skeet Championships. Two 100s were posted by Ron Colin and John Loveday—firsts with the .410 for both shooters. True sportsmanship prevailed as Loveday delayed shoot-offs to Saturday as Colin had to leave the shoot on OSSA business. Loveday emerged as champion.

Saturday morning was bright and sunny with large white clouds. Out of 75 entries, Egon Manthey was the sole 100 in the 28 gauge to win the Egon S. Manthey Trophy which he donated years ago and won for the first time. In the 20

gauge event, Gary Mills and Steve Loveday were the only 100s and Mills won the shoot-off for champion.

The final event of the weekend was the 12 gauge with 93 entries. Even with near perfect conditions, only four 100s were posted. After the shoot-offs, Rick Lawry emerged as champion, John Loveday took runner-up, Steve Loveday AA1 and Tom Marsh (shooting his first ever 100) took D1.

Congratulations to John Loveday, the HAA champion with a 492x500 and the HOA championship with a 396x400. The prestigious B.C. (Barney) Hartman Trophy was presented to John for his HOA by Egon

beating Butler. Lee, after a year off from the sport, took third, beating all other 99s. Booher took AAA and the AA Class was won by Mike Leith. A, B, C and D Classes were won by Kevin Davis, Doc Walker, Carl Furuta and Billy Bottorf respectively.

Holt's 100 in the .410 gave him his lock on the HOA championship with the first 400x400 state championship in a long time. Congratulations, Brian!

Tiller won her runner-up shoot-off against Butler with their impressive 399s. Herkowitz was no push-over, shooting 397 for AAA. Davis was only one behind Herkowitz for AA (396). Kerry Barstow took A Class with a 392 while young veteran Wayland Morrison beat Art Lim and Lee Morris in a shoot-off of 384s for B1 HOA.

Bill Varie tasted victory in the C HOA shoot-off over Randy Trent. Rookies Don Imhoof and Robert Varie won D and E HOA respectively.

At our annual board meeting, the officers voted to return next year's California Championships to Pachmayr in Southern California. The club has ten fields, pro shop, RV sites and all the other amenities needed for California shooters. Management, including Art Bright and Paula Lobadie, made sure that the facilities and staff were up to the challenge and we look forward to seeing them next year.

We would be remiss if we did not acknowledge mammoth efforts by Barry Hartmann on the scoreboard, Jerry King and Curt Paul on the fields, Rick Anderson on the computer with Dale Koprnik plus Dave MacDonald at registration.

We also owe a warm "thank you" to Steve Kramer and Steve Tucker for the neat shirts (design and silk screening). To Mike Miles from Bakersfield who printed our program. It looked great, better than last year, Mike.

Thanks to Linda Mooney, our cashier of many years, and to Royce Israel for a great job at shoot-off time. Finally, our 1997 President, Anthony Lucidi and his wife, Helene did a wonderful job putting the shoot together.

*Ontario - Continued from page 41.*

Manthey. John also received a framed replica of the centerpiece of the B.C. (Barney) Hartman Trophy. For John's HAA, he received a beautiful "pheasant under glass" trophy. Steve Loveday was runner-up in the HOA and Gary Mills runner-up in the HAA.

Karen Colin dominated the ladies by taking the lady HOA, doubles, 20 and 28 gauges. Marg Mills won the .410 and the 12 gauge went to Jennie Marsh. Troy D'Ambrosio dominated the juniors in all events. Bill Parr won runner-up in doubles, 28 and 12, and Jeff Carter was runner-up in .410 and 20. Congratulations to our juniors.

After Saturday's shoot-offs, good food and good wine were the focus of attention. Thanks to the Oshawa Skeet and Gun Club for providing their magnificent facilities to host the 50th Ontario Championships. OSSA President Chuck Cresswell thanked everyone for coming and presented the club a Ducks Unlimited print for their help.

Special thanks to chief referee Bill Marsh and his crew of Dave Carson, Ernie Caridi, Bill Hillis, Merd Cutting, Doug Steed, Keith Unitt, Guy Barrette and Norbert Maves.

Thanks to the inside crew—Steve Loveday with his computer, Tammie Eve, Jennie Marsh, June Sanders, Karen Colin, and Michelle Bussieres. John Bratty, Louie Bratty, Tom Marsh and Sam Mathewson worked on the shoot-offs and scoreboard and Gillian Jenkinson was successful in getting tons of pictures.

The OSSA Board of Directors is to be congratulated for their efforts in making the "50th" extra special—thanks to Ron Colin for the personalized name pins. Bill Marsh was instrumental in the belt buckles and the design. John McGonegal made all the plaques except the champion and runner-up. Chuck Cresswell arranged for the champion and runner-up bronze plaques. Mike D'Ambrosio raised \$5,700 in added money. Les Sanders provided directors and administration with t-shirts. John Bratty received generous donations from Kolar and Briley. Rick Blake assisted in fun shoots and wherever else he could. Others to be thanked are George Parr and Mike Lehmann for the special program.

Thanks to so many for generous donations of merchandise and last but not least, thanks to the shooters who wanted to be part of the "50th."

## ONTARIO ALL STARS 2021

The following is the list of the Ontario All Star based on last year's results. It is nice to see some new faces on the teams. This is based upon the 50% of "normal" requirements, and the fact that all of the listed did shoot the requisite number of targets and at the minimum number of clubs in Ontario. Thanks to Jennie for the work in verifying these

## Ontario Provincial Junior Championship 2022

The Ontario Provincial Championship was held May 21st to May 29th, 2022 as a satellite shoot. The following clubs participated: Oshawa, Kingston and Barrie with 9 juniors participating. The OSSA expresses sincere thanks to Jim Malcolm and his team at Barrie, Warren Baxter and his team at Oshawa and to Tony Raponi, Matt Pomeroy and all who helped in Kingston. Thanks to each of the clubs for helping sponsor the Juniors and to Keith Hutcheson for covering the registration fee for NSSA and OSSA.

Nine Juniors participated and almost all bettered their scores from last year. Jonathon Ball checked in with a 97 to nail down the Champion spot for Gold while Robbie Tolles posted a 94 taking Runner up and the Silver Position. Zachary Xie posted a 90 to take 3<sup>rd</sup> and finish in the Bronze position. Each of these Juniors will have their name engraved on the Chuck Cresswell Trophy. Chuck Cresswell was the inspiration for junior shooting and for ushering in the participation of Junior skeet shooting for the Summer Games. We will present the Junior plaques at the Ontario Provincial Championship in July for 2021 and 2022.

Ric Sheridan has been working with the Juniors at Oshawa Zachary Xie, Reese Wakeford and Yunlu Tan and deserves a big thank you for encouraging Juniors. Chase Pomeroy has been working with his father Matt and has really improved his scores: great shooting Chase. Lawrence Weaver has attended many registered shoots with his father Dale gaining experience. We encourage every Junior to attend as many shoots as possible throughout the year. Competition really improves your shooting. Two Ladies participated Reese Wakeford and Maryon Rodriguez and posted very good scores Congratulations to you both. David Addison participated in his 2<sup>nd</sup> junior championship and is gaining great experience .. keep up the shooting David

Thank you to all clubs who encourage Juniors to shoot. We ask that you forward any names and emails for Juniors so we can keep them up to date in future events.

## Hamilton Smoke Show 2022

The Hamilton Gun Club was honoured to host the Hamilton Smoke Show on May13th-15<sup>th</sup> 2022.

The weather played nice, and the background was spectacular as usual. HGC had 31 shooters, with 21 of them shooting all four guns. What's more impressive, is the new lineup of both refs and shooters starting to sprout up. We're looking forward to the future, as it's moving in a positive direction from the board's perspective. In fact, the OSSA received 3 new members.

We'd like to thank all that helped make this event a success. Especially those that came from far away. These 4 gun shoots are the kinds of shoots that separate the casuals, from the die hards. Shout out to Isaque Mendes, who helped tow out some of the campers that went into the deep end and got stuck.

Congratulations to Zeljko Blazic (our BBQ Pitmaster) who got his first hard won 25 straight.

And to our perennial winners:

Steve Loveday Champ (and event consultant extraordinaire)

Dave Troiani Runner Up

Dean Herzberg 3<sup>RD</sup>.

And to all our class winners.... Congratulations!!!

We look forward to seeing you all again, where friends can sit in the pavilion, stare out into the new skeet field of dreams, and enjoy each other's company, and reminisce on High2 and Low6 misses.

Thank you for coming.

Peter Manojlovic

Zeljko Blazic gathered up what remains of his hat after his first 25, heading home to show everyone

Congratulations Zeljko keep it up and you will string together a 100

## Doug Steed remembered

Douglas Steed Sr. 1942-2022

I am sad to share that after a brief battle with cancer, Canadian Skeet Shooting Hall of Fame member Doug Steed Sr has passed away.

I don't remember when I first met Doug. I started shooting skeet about 25 years ago and undoubtedly, he was there. Not long after, I got involved with the Capital of Canada. Doug was our chief referee, and so began our long working relationship. As I took on roles with the OSSA and the CSC, I could always count on Doug to come and referee. Over the years, it was just understood that if there was a shoot on, that he would be there.

It is very difficult to properly quantify Doug's service to our skeet shooting community. Quite simply, events cannot run without referees. Refereeing skeet is not a profitable venture. The people who do this job, do so for love of the game. Doug spent over 50 years travelling across the province (and sometimes a little further) making our game better. Doug was a shoot management's dream. He was an AAA resource to

have out on a field. You could send him out and know that he could handle any situation that came up. Broken machines, broken cords, running out of targets wouldn't phase him and more often than not, those problems would miraculously be rectified. There were never any complaints that came back from the shooters on Doug's field.

Doug was a shooter's dream as well. There was a period of time where I believe that there was no better thumb in skeet, anywhere. You could call for a bird, and know it would be there (and I may have developed a few bad habits because of it). There was no better feeling than walking to your field and finding Doug with the buttons and clipboard.

I will miss getting to a club, running into Doug and greeting him with a "Hey Dougie!" I will miss the stories that we would share. I'll miss walking to a shoot-off field, seeing Doug with the buttons and asking him to see a pair

Brad McRae

Doug on the field working the button and calling an excellent round .  
When Doug called lost there was no question it was missed

Doug relaxing between rounds and I interrupted him ...think his words were hey what are you doing lol can't you let me unwind

Picture taken at Uxbridge

My memories of Doug were of him being a very calm and relaxed referee just go out there and throw excellent birds. . He was a man of very few words on the skeet field and if you heard anything it was lost repeat of if you missed more than one just lost.

One time I had a great lesson on Ammo and Gun malfunction. He said you shoot a browning and there are times click no fire. I asked him how do you know its not a gun malfunction but ammo when you get that click. He said when you open the Gun I look for 2 things is there a mark on the primer or no mark . No mark may mean gun malfunction but you must look at primer is it set too deep then you have a decision gun or ammo . If primer is flush easy to say gun not so much with low primer . Certainly a primer that's struck but not fired is ammo

I had the great pleasure and good fortune over the years to be refereed by Doug at many shoots and always learned something in how he conducted the squad

Doug you will be missed on the skeet field but the memory of you refereeing those squads will always be there

### Hamilton Angling and Hunting Association June 4&5 2022

Well that's a wrap on another super successful Lawry/HAHA 200 for 2022

With 95% attendance we had picture perfect weather for the entire shoot and the black rim Lawry targets flew on a string all weekend .We certainly missed Doug Steed senior on the button this year as many of you will, but Doug Jr ,Omar , and Doug Wright pulled great both days and thanks to them all. After the dust cleared Charlie Peacock's 199 held out for HOA Champ while Dave Troiani's solid 196 for RU.Dan Lourenco took A with 194,Jeff Stockdale 191 for B,Nuno Sousa's first registered shoot landed him C champ with 189 ,D went to Jay Murdoch with 194 and Sandro Codognotto's186 took E class. Each class and Champ took an additional beautifully crafted leather embossed shooting pouch as well as a very significant cash prizes!!As usual our shoot returns huge money back to all classes as well we added \$1750 on top of that. Special thanks to our very generous sponsors Lawry Shooting Sports, Elis guns and Archery, Antech Engineering and HAHA clubs Skeet section. Watch for the 2023 shoot flyer and be sure to sign up early ,

**Good day everyone,**

## **NSSA News Briefs**

I wanted to pass on some news regarding the NSSA and the upcoming World Championships in San Antonio this October.

A few weeks ago I had an email sent out to all of the Zone 8 members of the NSSA about my experiences regarding Covid-19 while in Florida for a few weeks in the winter. Essentially, even in Florida, Linda and I felt safe and frankly, the safety precautions and procedures in the US are very similar to what we see in Ontario right now. If you are going to the US, just be aware of the fact that Americans do not seem to know how long six feet is, and there are hundreds of thousands of hand sanitizer dispensers in the US, but they are all empty. So, bring your own sanitizer, and if you want space...wear a mask in public spaces, because that is a signal that you are infected and have chosen to go out in public anyway!!

On June 10, 2022, the U.S. Government announced that it would end pre-arrival COVID testing for international travelers entering the U.S. by air beginning on June 12, 2022. This will make it much easier to travel to San Antonio for anyone choosing to fly down.

One other thing that I am asked about frequently, is what the ammunition situation is like down in the US. Frankly, it is not any better than we are seeing here. There are lots of 12 and 20 gauge ammo for sale, some 28 gauge and hardly any .410. What we have been able to arrange for Non American attendees at the World's is that **you** can pre book and prepay for your ammo that you will use down there. This is not available for Americans as they have many options to get their ammo shipped to the National Shooting Complex in San Antonio. The best idea is to bring your own, but if you cannot drive...you can have the ammunition set aside for you. FYI, Malcolm's Cargo is already overweight (both trailer and driver)...so don't ask.

Rick Lawry is being inducted into the Shooter Category of the NSSA Hall of Fame this year, and Doug Steed Sr. (RIP) will be officially going into the Referee Section of the HOF, so this would be a good reason to attend the Hall of Fame Banquet.

I have included the registration link for the World Championships below. For first time attendees this can be quite confusing, so if you have questions, please don't hesitate to reach out to me, via email ([steve.malcolm23@gmail.com](mailto:steve.malcolm23@gmail.com)) or phone (905-967-2458). **Be forewarned, if I don't recognize your number, I won't pick up...so leave a message and I will call you back.**

<http://myNSSA.nssa-nasca.org/wp-content/uploads/sites/6/2022/02/2022-World-Skeet-Registration-New-Format.pdf>

There is also a good chance for first time attendees to win their entry to the World Championships by attending the Provincial Championships or Zone 8 Championships. If you are going to go to the Worlds, let Brad McRae or I know so we can get your name in for the draw.

<http://myNSSA.nssa-nasca.org/wp-content/uploads/sites/6/2010/07/2022-World-Shoot-State-or-Zone-Entry.pdf>

On a final note, Brad McRae and I have been returned as NSSA Directors to represent you. Many thanks for those of you that placed your vote. Traditionally, the number of votes returned in these elections are quite low. Brad and I were encouraged at the relatively high level of engagement compared to many geographic locations.

See you soon at the upcoming Ontario Championships and Canadian's.

Steve Malcolm

## The 2022 Oshawa 200 12 Gauge

Oshawa presented the Oshawa 200 12 gauge event on May 28, 2022 with 49 of the 50 spots filled. The weather was just about perfect with only a slight wind and the targets flew straight and true. Charlie Peacock had no problem checking in after the 1<sup>st</sup> hundred with a straight 100 and followed it up in the second 100 with 99 to nail down Champion position with 199/200.

Runner up, Rob Ludwig had a great shoot as well warming up in the first 100 with 98 and followed it up with a 100 straight to take the 2<sup>nd</sup> spot running away. Dave Trioani finished 3<sup>rd</sup> with 197 while AA shooter Bill Zager took AA1 with 195. Jim Malcolm was AA2 with 192.

Rick Robinson led the A shooters taking A1 and Dave Dart was B1. Peter Manojlovic took C1 followed by Basem Malek in C2. Zachary Xie our junior bronze winner for the Junior Championship, took D1 and was the Junior Champion for the Oshawa 200 shoot. Sandro Codognotto was E1 followed by Terry Bourne in E2. Kristina Zlatkovic took Ladies Champion position.

Many thanks to the shooters, Referees, Volunteers and to the Sponsors (Sail, Lawrys and Tool Die-Namics) Sial supported the Sail Handicap shoot off with Sail gift card.
