Message from The President :

Jim Malcolm

Greetings OSSA members,

First off I would like to wish each and every one of you a Happy New Year. I hope that you and yours has a 2024 that is filled with good health, happiness, and lots opportunities to get out and shoot skeet recreationally, and at registered shoots. Unfortunately there will be people in our skeet community that will not have a great 2024, but please know that we are thinking about you through these tough times and challenges.

It's just a little over two months before the Buttertart Open in Kingston, and before you know it we will be in full swing of the 2024 OSSA skeet tournament season. I hope that you all are as excited about it as I am.

At the end of 2023 the face of the OSSA board changed with Keith Hutcheson stepping down. Keith was a long time serving member of the board, and was heavily involved with the junior program. We can't thank you enough Keith for your dedication to the OSSA and its membership. With Keith's departure, we needed a replacement, and we were very lucky to have Brent Wintermute volunteer to be the newest member of the team. Thank you Brent!! For those of you that don't know Brent, he is a great guy, a very good skeet shooter, and most importantly, he puts on a mean fish fry.

Although I'm very excited about a great upcoming skeet season, I am a bit nervous about the accessibility of ammunition and loading components. At the BGC we have been notified of upcoming price increases, and with worldwide shortage of nitrocellulose (used in gun powders) we can expect limited ammunition availability through 2024. I've never been a promoter of hoarding ammunition and loading components, but I would suggest that you don't put off purchases when the availability is there.

The 2024 schedule will be included within this newsletter, and you can also find it at ontarioskeet.ca. This is a new website for us, and I'd like to thank one of our members, Warren Tracz for putting it together and maintaining it for us. Have a look at it when you have a chance, and if there is something that you would like to see or if you have a comment or question please feel free to reach out using the "Contact" section.

In closing, thank you to all of our members that make skeet shooting in Ontario enjoyable, and I look forward to seeing you all again soon.

Jim

Secretary / Treasurer's Corner

Happy New Year! Trust that everyone had a decent holiday season with family and friends. Keep thinking Spring - before we know it, March and our first tournament will be here.

The 2022 Annual General Members Meeting (AGM) was held on 02 December 2023 at Uxbridge Clays. In addition to the majority of the Board of Directors (BOD), a number of members made the trek in inclement weather to attend the meeting. Thank you to everyone who attended and your input to the meeting.

Board of Directors (BOD)

Nominations for the OSSA's BOD were put forward at the AGM. After yeoman's service to the organization, Keith Hutcheson has retired from the BOD. Thank you, Keith, for your many years on the BOD and your efforts with the Ontario Junior Skeet Program. The number of nominations to the BOD equalled the number of openings available. All nominated accepted their nomination; thus, elections were not required – all nominees were acclaimed. The BOD welcomes Brent Wintermute to the BOD. Brent has been competing for many years and we look forward to collaborating with him going forward. Post AGM, the BOD met and established the slate of Officers for 2024.

Name	2024 Role	BOD Term Expiry
J. Malcolm	President	AGM, 2024
B. McRae	Vice-President	AGM, 2025
T. Eve	Secretary	AGM, 2025
R. Ludwig	Treasurer	AGM, 2024
D. Herzberg	Director	AGM, 2024
S. Malcolm	Director	AGM, 2024
P. Manojlovic	Director	AGM, 2025
D. Steed	Director	AGM, 2025
B. Wintermute	Director	AGM, 2025
D. Steed	Chief Referee	AGM, 2024

Over the course of 2024, the Board of Directors will be looking at how to improve operations within the organization. If you have any thoughts, comments, and/or suggestions please bring them forward to any Board member. **This is your organization** and if the Board isn't aware of an issue or process improvement, it can't be addressed.

A few housekeeping items to begin the 2024 Tournament Season . . .

Payments – The OSSA BOD encourages OSSA members to utilize the electronic money transfer (direct payment) option for submitting fees (membership, tournament targets, day fees, etc.). Payments may be made to:

ontarioskeettreasurer@gmail.com

Secretary / Treasurer's Corner (continued)

[Memberships—Individual and Club Renewals](#)

NEW FOR 2024: The BOD is implementing an administrative change to simplify operations for both the BOD and Shoot Management (see box below). If you have any questions, please contact the BOD at:

ossasecretary@gmail.com.

The BOD appreciates the membership's commitment to this new method of on-line membership renewal.

For 2024, the BOD respectfully requests that **Members/Clubs** complete and return the appropriate fillable Application Form (renewal) to the OSSA Secretary by 29 February 2024. The appropriate Fees are to be remitted to the Treasurer by 29 February 2024.

For Members / Clubs preferring not to use the EMT option, please address **remittances payable to the Ontario Skeet Shooting Association (OSSA)** and include it with the completed Application and return both via Canada Post.

The fillable Application forms are included with this distribution of Station 9. Additionally, the forms will be available from the OSSA's website at <https://www.ontarioskeet.ca/>.

Note: Membership acknowledgement within the organization requires receipt of **both** the completed form and payment.

Ontario Skeet Shooting Association - All Star Awards

Each year, the Ontario Skeet Shooting Association (OSSA) recognizes Ontario shooters that achieve a level of excellence. This level of excellence is demanding on the shooter and indicates their commitment to the sport over the course of the shooting season - both in results and travel.

The awards are based on a number of eligibility criteria. All targets are eligible for consideration; although, a specific number of targets are required to be shot in Ontario and a candidate is required to attend a certain number of Clubs in Ontario over the course of the shooting season.

Please Note:

The Canadian Championships (when held in Ontario), the Ontario Open and Closed Provincial Championships, and the Zone 8 are considered as "individual Clubs"; no matter where in Ontario they are held.

The award is identified for the Current Calendar Year with the values from the Previous Calendar Year assessed against the criteria for eligibility.

All Star Award Selection Criteria

A candidate is required to attend three (3) Clubs in Ontario for each gauge and / or doubles. In addition, the candidate is required to attend the Ontario Open and Closed Provincial Championships.

In the event a candidate is unable to attend the Ontario Open and Closed Provincial Championships, he/she is required to attend four (4) Clubs in Ontario for each gauge and / or doubles.

The candidate's year-end average in each gun / doubles is to meet NSSA's Classification of A-Class, or higher, for eligibility.

The candidate is required to meet the minimum number of targets for each gauge / doubles to be eligible for consideration (see table).

A five-person team will be selected for each of the 4-Guns and Doubles based on the highest average in the Gun / Doubles and with each candidate achieving ALL the selection criteria.

A five-person team shall be selected for High Over All (HOA) based on the average of each gun average for the year. For clarification, the year-end averages of 12, 20, 28, and .410 are summed and divided by four for an overall average. For HOA, the stipulation of Class A or higher is not required. A candidate must have been eligible for All Star consideration in each gauge / bore to be eligible for HOA consideration as an All Star ..

Classification	Minimum Targets for Year Required	Minimum Ontario Targets for Year Required
12 Gauge	500	300
20 Gauge	500	300
28 Gauge	500	300
.410 Bore	500	300
Doubles	300	200
HOA	2,300	1,400

Table 1: Minimum Target Requirements for OSSA All Star Consideration

The above became effective 18 April 2023 and is retroactive to Calendar Year 2022 Averages for the 2023 All Star Teams. It will remain in effect for a minimum of two (2) years, unless circumstances require a review (example, global pandemic, loss of events, etc.).

2023 ALL-Star Teams

12 Gauge

Skeet History

Sometimes its very interesting to review shoots from many years ago .

This feature is one of the series of

Sheldon Weinstein Memorial shoots held at Crumlin Sportsmens Association London Ontario **May 23,24, 25 ,2003** .

Crumlin hosted 4 gun shoots with 2 fields .

There are many familiar names as well as members who are no longer with us .

The following is the scoreboard from the shoot .

Scoreboard 4 guns plus Doubles

12 Gauge 27 Entries

OSSA Membership Renewal

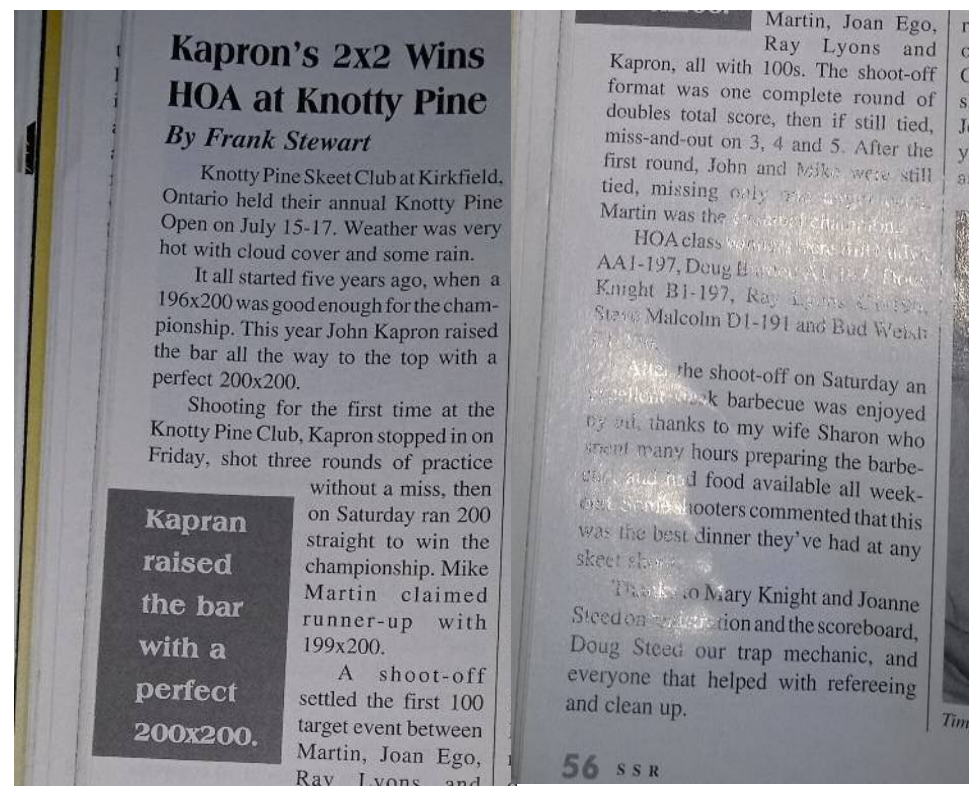

Renew your OSSA membership You can use the forms that accompany this distribution of Station 9

You must be a member of both the OSSA and the NSSA to shoot registered targets in Ontario.

Complimentary Memberships

The NSSA for the past several years has offered a Limited Complimentary Membership for new shooters to try registered skeet. The OSSA has matched this program with a free annual membership to our provincial association. The Board of Directors of the OSSA has confirmed that these complimentary memberships will continue for 2024. This membership is available to those shooters who have never shot registered skeet prior to 2024. Shooters must be a member of both NSSA and OSSA to shoot registered skeet in Ontario. We are encouraging shoot directors to introduce registered skeet shooting to as many new members as possible. As a new registered shooter you are receiving a NSSA Limited Membership (\$40 US Value)and OSSA membership (\$25 Value) .You may register for these membership at a registered shoot or by contacting your club skeet shoot director. This is a great way to attend registered shoots for the year. Remember ,in registered shooting you shoot in your own class so you don't have to be the worlds best shooter before you try registered shooting .

Skeet History submitted by Frank Stewart year 2005

The "All-Canadian Skeet Team

To be selected to the team the following is the criteria :

A minimum of 500 TOURAMENT targets must be shot in each Gauge. A minimum of 300 TOURAMENT targets must be shot in Doubles.

A minimum of 300 targets in each gauge must be shot in Canada. This is in TOURAMENT competitions.

Selection to the Team will be based on averages.

These criteria are to recognize Canadian Skeet Shooter, many of whom will not be on the American All-Star teams.

This is an Honours Only Team

Brent Wintermute new Director for OSSA

Brent was nominated and selected as a Director for OSSA replacing Keith Hutcheson following his retirement from the Board . Brent will be a valuable asset to the Board as he is a member of 3 clubs and has a broad appreciation of the shooting sports. Brent started his shooting career at Crumlin Sportsmen's Association in 1987 . He stated I joined NSSA in 2001 due to Keith Hutcheson pestering him to shoot registered LOL . We at the time had many skeet leagues on the go through NSSA and Keith was always looking to sign people up. You will also see Brent's name in the 2003 Sheldon Weinstein shoot in 2003 in the page of skeet history in this edition. .Brent took a break from Skeet shooting from 2009 to 2016 due to life changes but returned in 2017 . He reconnected with old friends and has made many new ones . Brent states "I shoot most disciplines in the shooting sports but Skeet is one of his favorites because it is a social sport on and off the field ."

Please give Brent a warm welcome to the Board and you can be assured he will do a great job furthering skeet in Ontario .

Keith Hutcheson Retires from The OSSA Board

Many of you have probably heard I have retired from the OSSA Board at the Annual Meeting effective Dec 2 2023 . I have served on the Board since 2002 after being nominated by Chuck Cresswell and Bill Marsh.I trust that over the years I have made a meaningful contribution to the Board activities .I want to express my deep thanks and appreciation to each and every member of the board past and present. You should be very proud of the work that the Board does in furthering registered skeet shooting n Ontario.

I have many highlights from my time on the Board ,travelling with Chuck Cresswell on winter weekends to many far flung clubs for skeet leagues, fun shoot and even trap shoots all in the name of furthering interest in skeet Chuck said.

When Chuck took ill , I took over the Summer Games applications and we had some success in participating in several summer games as well as some disappointments .

Tony Raponi , Joan Ego , myself and several others formed a great team at the Summer Games and Junior shoots. We look with pride at former Juniors like Charlie Peacock with his top notch shooting and putting on shoots, David Mylinkov and his progression in international shooting , Steve Bound and his training of his daughter Addison just to name a few past Juniors examples .

The 2023 Junior shoot was especially gratifying to see the excellent Junior shooting and the large turnout at Uxbridge.

Chuck also twisted my arm and had me take over Station 9. I have enjoyed doing the newsletter 3xs a year since 2006 . I am glad that it is an online newsletter as I spent many hours stuffing envelopes prior and was limited in the number of pages for postal costs. This is my last issue of Station 9 as well and I express my thanks to everyone who made contributions to it and who forwarded photos for inclusion .

Thank you everyone for making my time on the Board special and enjoyable

See you at shoots
Keith

**You can now pay your OSSA membership online at
ontarioskeettreasurer@gmail.com**

NSSA President Steve Malcolm Remarks

Greeting on behalf of the NSSA. I have just started my second year of my term as the President of the NSSA and while I do not want to jinx anything...2023 was a good year for the Association. The organization is solid financially and we were able to make some overdue improvements to the National Shooting Complex (NSC) in San Antonio, Texas. The NSC not only houses our NSSA headquarters, it is a 700 acre shotgun facility and is an amazing venue to host events. The improvements were funded by a huge lead reclamation project and the sale of a cell tower we have on the property. While the vast majority of NSSA members will never get to see the facility, the activities at the NSC help provide a great portion of the funds that the NSSA requires every year to support member and club activities.

Some of the activities that we were able to take advantage of in Ontario were the hosting of our Junior Camp and the various Referee Clinics that were held last year. Keep an eye out for the camp and clinics at various clubs around Ontario in upcoming "Station 9's" and via email and on our OSSA Facebook page. I mentioned this in a previous Station 9, but to repeat myself, each NSSA Member Club will have access to the "Skeet Manager" scoring and reporting program as a benefit of their membership. We are lucky to have one of the most knowledgeable operators of that program in our own Brad McRae, so we have a great resource right here in Ontario for support.

Closer to home, I am hopeful that many of you will travel to the Owen Sound area in June to participate in the Sydenham 100. This will be their first ever skeet shoot held at Sydenham Sportsmen's Club and for those of us who have had the benefit of Jay, Dave, Evan and others attending our shoots...this will be the perfect opportunity to reciprocate.

On a special note, you will notice the event being held at Uxbridge on May 18th is named "The Tank". What was formerly known as the Len Wells Memorial has been renamed to celebrate the contributions of Frank "The Tank" Stewart. Frank is especially thrilled that this is **not** a memorial shoot and he plans of not only attending...but winning the tournament. This will be a 200 bird 28G event and I expect it will sell out. Once the flyer comes out, don't delay in getting registered!

See you all in the spring!

Best Wishes
Steve Malcolm
NSSA President

Steve has a suggestion re Accommodation at the Provincials

If anyone is looking for a nice place to stay while at the Provincial Championships which will be held at the Oshawa Club, consider the Great Blue Heron Casino & Hotel. This is only about 20 Minutes from the club and the hotel is almost brand new. Obviously they are trying to attract people to the Casino and the room I stayed in was spotless with a King bed and was under \$80.00 per night including taxes. I would have expected to pay at least twice that amount for what we got. Obviously, room fees will vary with availability and seasonality, but as an option...I would look into it if you are looking for accommodations. In addition...if you get a "Great Canadian Rewards" card, (which is what you use in the Casino), you get 20% off of the room charge. All in all a great deal and a nice hotel, with a Tim Horton's directly across the road from the hotel. The restaurant in the casino was good too.

Best regards,
Steve Malcolm

Note: The 2024 OSSA Tournament Schedule is available on the OSSA's website at

<https://www.ontarioskeet.ca/>

The Ontario Skeet Shooting Association and The Barrie Gun Club
Present the 16th Annual

ONTARIO JUNIOR PROVINCIAL SKEET SHOOTING CHAMPIONSHIPS

To Be Held At the Barrie Gun Club

22 June 2024

Cost is **\$25.00** and includes the OSSA and NSSA Target Fees

Criterion: The participant must not have reached their 23rd birthday by the date of the event.

Flight Times are 12:00 – 13:30 and 13:30 – 15:00

Upon Registration, you will be contacted with your Flight Time.

Please arrive **AT LEAST** 45 minutes prior to your Flight Time.

Shoot-Offs, if necessary, will commence immediately following the tabulation of results.

Practice will be available from 11:00 until 12:00 as fields are available.

Additional Information:

This is a 100-target event, held under the rules of the OSSA and the NSSA. Targets will be registered as 12 Gauge; although, any gauge may be utilized for the competition.

Participants must be members of both the OSSA and the NSSA. Complimentary Limited Memberships (CLM) to both organizations are available for new shooters.

The OSSA will provide complimentary Junior memberships to all previously registered Junior shooters. If you have shot registered targets in the past, you will need to renew your membership with the NSSA at <https://myNSSA.nssansca.org/member-login/>.

All Juniors are welcome and encouraged to participate, regardless of ability. Your participation will enhance the possibility of inclusion of Junior Skeet in the Ontario Summer Games. Please make every effort to attend and gain the experience for the Games. Participants will be vying for Gold, Silver, and Bronze placement with winners having their names engraved on the Chuck Cresswell Junior Trophy.

Lunch will be available beginning at 11:30 for participants, their immediate family, and officials.

Camping is available at Barrie Gun Club. No power or water hook-ups. Water is available at the Club.

For additional information, please contact:
