Message from the President. Steve Malcolm

Is it me, or did the summer of 2018 fly by way too fast? Of course two weeks ago I was in Texas at the World Championships enjoying the 30+ weather and later this fall I will be joining many of you in the woods for Moose and Deer Hunting.

Unfortunately, at this point I do not have any statistics to back this up, but anecdotally the season in Ontario was pretty successful. No, there is not an overabundance of shoots to pick and choose from, but those that were held were pretty well attended. The Waterford 4 Gun and the Mariposa Doubles had much better attendance than in the previous year and that is always an encouraging sign, especially for the very few people that organize and host these events.

On November 24th, the Annual General Meeting of the OSSA will be held in the Clubhouse of Uxbridge Shooting Sports. Details are listed elsewhere in the Station 9. As a member of the OSSA, you have the right to attend and vote...and yes, it is even encouraged to speak up and let your voice be heard. Of course, I have always believed that any complaints should simply be a preface for a solution or a suggestion to make things better, so please bring your suggestions and don't be shy about it.

One of the subjects that we will be trying to flesh out is a 5 venue, 200 bird event season long competition that has been floated up over the last couple of years. The 200 bird events have proven to be fairly popular as they tend to be less costly (not hotels, one day), so a suggestion has been made to run 5 separate events that are essentially rolled up into one HOA and/or HAA. This is designed to encourage more shooting at more events and increase our participation levels at the various clubs around Ontario.

On a final note, I would like to thank Brad McRae for two specific things. One is for running the overall Zone 8 Shoot Program. This encompasses not just clubs in Ontario, but all across Canada as well as the UK, Australia and New Zealand. It is a monumental task and one that requires a lot of patience (which Brad is able to muster up occasionally). The second, is that Brad is stepping forward as the Zone 8 Representative for the Executive Committee (EC) of the National Skeet Shooting Association in San Antonio, Texas. Brad is taking my spot as I have been elected as the Secretary-Treasurer of the Association. Luckily, I don't really have anything to do with the money side of things, because that wouldn't be a good thing. Hopefully, we will see you at the AGM. Until then, be safe out in the woods or blinds!

Best regards,
Steve Malcolm
OSSA President

Champion	D. Wright	87
Runner Up	T. Eve	81

HAHA NEWS

by Glen Peacock

Greeting from HAHA: well we had another very successful year at the club. The Lawry/HAHA 200 was overfilled and we had to add

another flight with great prize money and great targets we anticipate 2019 to be even better !Stay tuned, once we get approval we will be opening registration for June 1st and 2nd 2019 , you won't be disappointed. Immediately after this years shoot we removed our old high house and built a state of the art skeet house/ target storage building, 24 x 48 and it compliments our club beautifully. Skeet continues to thrive at the HAHA and our membership is still capped ,however if you have the opportunity to visit Ancaster area and would like to try a round or see our new building for ideas for your own club, feel free to contact me , all the info is available @ hahaclub.ca regards

Glen Peacock Chairman ,Clay Target Section

that everyone was well cared for.

I would also like to thank Joanne Steed for her help running the score boards and registration, our fulltime Referee's Doug Steed Sr. & Stu Morton, as well as those that jumped in when needed so that everyone could stay hydrated. Additional thanks to everyone else that pitched in, loading machines, cleaning the fields, moving targets, etc. Many hands make light work and your help is appreciated.

A Very Special thanks to Rick Lawry and Lawry Shooting Sports Inc. for their donation, you made our 40th Anniversary, a shoot to remember.

A couple notes of interest from the weekend

- Robbie Tolles shot his first registered 25 in 12 ga. (Prelim), as well as his first straight doubles round on his way to winning D Class & Junior Champion
- Al Cook shot his personal best [97] in the 12 ga. (Prelim)
- Douglas Steed shot his first registered 100 in the 28 ga. (Prelim), as well as his first 50 straight in the doubles event
- Bill Zager improved his HOA total by 3 [196/200] targets on his way to repeating as Champion in the doubles event
- Jim Malcolm shot his personal best [97] as well as his first straight round in the doubles event
- Jaclyn Ego shot her first ever registered doubles targets!

Donnie Stewart shot the lights out on his way to winning Runner-Up in the doubles event, I'm not sure if it was a personal best, but it was a thing of beauty to watch

Great shooting everyone!

Mariposa Open 2018

by Douglas Steed

Skeet Director – Orillia Gun Club

Attached are the full results from Orillia Gun Club's Mariposa Open. I would like to thank everyone that came out and made this weekend a success. Your support of this tournament and others like it across Ontario is greatly appreciated. This year marked our 40th Anniversary and to celebrate we brought back the Lewis/Merchandise shoot as part of our prelim event. All 20 spots were filled which was great to see. This style of shoot hasn't been run in Ontario for many years, but it's a great way to encourage participation from shooters of all skill levels. I hope everyone enjoyed themselves. While the weather made it feel like mid-July more than mid-September, it set the perfect stage for a great Saturday night BBQ. I don't think anyone could have possibly walked away hungry, I know I had trouble just walking away! I would like to send a big thanks to Lisa (soon to be Mrs. Steed) and her mother Violet for their help getting that everyone was well cared for. ng the dinner ready and making sure throughout the weekend

10th Annual Ontario Provincial Junior Championship

July 7th 2018

Kingston and District Trap, Skeet and Sporting Clay Club

The 10th Annual Ontario Provincial Junior Championship was held at the Kingston and District Trap, Skeet and Sporting Clay Club in Kingston on July 7th 2018. A very special thank you to Matt Pomeroy and all the members of the club who volunteered their time loading targets, cooking and anything else that needed to be done.

The morning was set aside for practice and coaching for those who requested help. Joan Ego, our Ontario Junior Coach, spent well over 2 hours helping the young shooters. Thank you Joan.

The 10th year continued the trend of last year with several sub juniors competing, including 2 new competitors', Ty Durham and Matthew Edney. Both of these shooters received an NSSA and OSSA Complimentary Limited Membership.

The Kingston club provided an excellent lunch for everyone in attendance; hamburgers, hot dogs, and salads as well as snacks drinks and fruit throughout the day. Thank you for generosity and a job well done.

The competition began at 1:00 with the first two squads out on the fields. Howard Pierce reported in with a 97 which would prove to be the top score of the day nailing down the Gold position. Paul Sullivan and Yuvraj Walia checked in with 93 and 91 respectively to take the Silver and Bronze positions. Each of these shooters will have their names engraved on the Chuck Cresswell Memorial Trophy. Brody Gow, one of our Sub Juniors reported in with an 86 while our new shooter Ty Durham shot a very respectable 81. The Kingston Club sponsored plaques for the Sub-Juniors with Brody Gow taking gold while Chase Pomeroy took Silver and Jett Pomeroy the Bronze. Congratulations to all.

Kingston Club President Matt Pomeroy and every volunteer of the Kingston club deserve our thanks for making this shoot one of the best for the juniors. A listing of these sponsors show the effort they put forth in making sure that every shooter made several trips to the prize table. Prizes included shells, shooting vests, shooting glasses, Toronto Blue Jay memorabilia, prints and many other items. Sponsors to be thanked are Glenburnie Grocery, The Kinston Whig Standard, Sun Life Global Investments, Canadian Tire Cataraqui and Randy Casford, Ducks Unlimited –Tim Binch, Kingston Police Force and Jody Armstrong, Ministry of Natural Resources –Justin White, Armstrong Outfitters-Ralph and Donald Armstrong, Sustainable Outdoors, Webfoot Outdoors-Mark Gawon, CCFR-Kelly Kincaid, Toronto Blue Jays, Uxbridge Shooting Sports, St Lawrence Pools, Lawry Shooting Sports, Drapeau Automatic Sprinkler Corp, Bill Templeton, Judy Pomeroy Sewing, John McGonegal, The Barrie Gun Club, Epps Sporting Goods, Jennie Marsh OSSA, Nathasa Brady, Bill Lakeridge, Shooters Choice, Stoeger Canada, Kent Cartridge and Canex

Thanks to Warren Cresswell who makes an annual donation of 500 dollars towards the junior program in memory of his brother Chuck for whom the trophy is named. Chuck had been the driving force behind the junior program and he would be overwhelmed to see the interest of the young juniors coming up. The future of skeet is here in these juniors. Thanks to each of you and to your parents who, in many cases, drove hundreds of kilometres to be here.

Juniors: 2019 Complimentary Memberships

Make sure I have your names so that I can send you the 2019 complimentary memberships for the OSSA. You will have to renew your NSSA membership and pay the Junior fee. This can be done on-line at NSSA-NCSA.org. Once you have done this for 2019 you are entitled to shoot any registered shoot in Ontario

Send your info to keith_hutcheson@sympatico.ca

2018 Skeet Tournament Season Year In Review

I'm sad to say that the 2018 Skeet Tournament Season has come to an end. Don't get me wrong, casual skeet shooting and club events are great too, however the excitement of tournaments and getting a chance to see shooters from other clubs will be missed. The Barrie Gun Club was absent from hosting tournaments for a few years, but are back in business for the second year now and excited about hosting further tournaments and welcoming shot gunners from abroad.

In 2018 we hosted the following:

Barrie 200 Open (12ga)

Steve Bound	195	AA1
Chris Berry	195	B1
Dan Tansley	195	B2
Tom Marsh	183	B3
Frank Stewart	190	C1

Report from the Ontario Council of Shooters

For those not aware, the OSSA is a member under the umbrella organization, the OCS, that represents and is the voice of Ontario's target shooting sports associations in all conversations with the provincial government's MTCS, the Ministry of Tourism, Culture and Sport. Six organizations are thus given a single voice. They are: The Ontario Rifle Association; The Ontario Provincial Trapshooting Association; The Ontario Skeet Shooting Association; The Rifle and Pistol Alliance and The Ontario Olympic Trapshooting Association, (through ONTarget); and the MLI Muzzle Loading Association.

As we are all aware, the personal expenses incurred by participants in shooting sports, and in particular clay target sports, have risen dramatically over a very short span in time. But these cost increases are also borne by the associations that strive to maintain and promote their individual sports. Higher costs generally result in a reduction in sport participation and consequently, a reduction in association memberships.

This progression has left associate bodies looking for outside funding, since over-taxing members is just another dis-incentive to membership. Enter.....government grants.

Each member association of the OCS is, to one degree or another, reliant upon these government handouts.

But in order to qualify and apply for these grants, the MTCS has stipulated that certain programs must be undertaken by the member associations; coaching/coach development training has been foremost on their list.

Earlier this year, to fulfill our obligation, notifications were sent to all our OSSA members offering coaching and coach trainer certifications with the promise that the course instruction fees would be reimbursed by the OSSA. It is most gratifying to announce that Jaclyn Ego has completed that requisite training. Jackie's initiative is a credit to her and an asset to the entire OSSA community, as we now have both a certified coach and a certified coaching instructor. As well, we have been informed in a letter dated September 05, 2018, that the OCS is now eligible to receive grant money to support the development of amateur sport shooters over the current and coming year. Thank you, Jaclyn.

Victor Fink left Jim Malcolm and Frank Stewart at the Barrie Shoots—
Whats In the envelope Jim ?

Ontario Skeet Shooting Association

P.O. Box 96

Hampton, Ontario L0B 1J0

September 25, 2018

TO: ALL CLUBS

The Ontario Skeet Shooting Association will be holding their Annual General Membership Meeting **SATURDAY, November 24th, 2018 at Uxbridge Shooting Sports Club starting at 11:00 p.m.** Coffee and sandwiches will be available. If at all possible, please have a club representative attend this meeting.

Please submit your proposed 2019 shoot dates to the OSSA office to be received no later than **NOVEMBER 20th**. These dates will be presented and approved at this meeting. Approved shoot dates will then be forwarded to NSSA Headquarters. Please note: N.S.S.A will only process Application for Shoot Dates if:

- (1) club membership paid from January 1, 2019 - December 31, 2019
- (2) application has been approved by the O.S.S.A. (State/Provincial Association)

Bids to host 72nd Ontario Open Provincial Skeet Championships are being accepted and must be received by **NOVEMBER 20th**. **Please send bids to President and Secretary-Treasurer only.** Selection criteria consists of:

- (1) cost per target,
- (2) minimum of 4 fields,
- (3) experienced trap mechanic available,
- (4) experienced trap personnel,
- (5) adequate food and beverage
- (6) club must be current OSSA member, and
- (7) must be current NSSA member.

The following are OSSA's 2019 shoot dates:

72nd Ontario Open Provincial Skeet Champs. - July 26, 27, 28, 2019

11th Junior Provincial Skeet Championships - July 6th, 2019 or
alternate date

Jennie Marsh
